

Where can you find accessible information about **Coronavirus**?

**Coronavirus** is a new virus, it can make you very ill.

It is also called Covid-19.

You can find EasyRead guides about staying safe, and how not to spread coronavirus here:

[www.keepsafe.org.uk](http://www.keepsafe.org.uk)

You can find advice about health and coronavirus for Deaf people here:

[signhealth.org.uk/resources/coronavirus/](http://signhealth.org.uk/resources/coronavirus/)

You can find information from the government here:

<https://www.gov.uk/coronavirus>

## Remember!

Signs of coronavirus might be:

- You have a cough that won't go away
- You have a temperature, or feel very hot
- You might find it hard to breath

## If you think you have Coronavirus:

- Get advice from NHS 111
- Stay at home
- Don't go to your GP or doctors

To get advice from the NHS using British Sign Language go to this website:

[interpreternow.co.uk](https://www.interpreternow.co.uk)

If you live in Bristol you can also find out about other types of help from the Council:

Phone **0800 694 0184**

Deaf people in Bristol can also find out about Council services in BSL :
