

Disability History Month 2020

18 November to 18 December

Access: How far have we come? How far do we have to go?

Arkbound Foundation and BRIL are hosting an online project for Disability History Month.

We would like to include different experiences and creative ideas about 'access' and 'accessibility.'

If you have artwork, film, music, poetry or anything you would like to share, please get in touch!

We can offer anyone who takes part a small payment.
